Ad hoc release according to article 15 WpHG (Securities Trading Act)

WashTec AG enacts share buy-back program

Augsburg, September 17, 2007 – Today, WashTec AG launched a share buy-back program. The decision was taken by the Management Board with the consent of the Supervisory Board and in execution of the resolution passed by the annual shareholders' meeting on May 22, 2007. Until November 21, 2008 WashTec may acquire up to 800,000 of its own shares (this corresponds to approx. 5.3% of the current share capital of the company) via the stock exchange.

The shares acquired in this framework, amongst others, shall be used to satisfy stock option rights for shares issued or to be issued in line with the WashTec stock option program. The total volume of these stock options also amounts to up to 800,000 shares. The shares acquired may also be used for a direct or indirect acquisition of companies, parts of companies or stakes in companies. The company reserves its right to cancel acquired shares in full or in part.

The company will assign one or more banks to execute the share buy-back program on its behalf.

Press release

WashTec AG buys back up to 5.3% of its own shares

On September 17, 2007 the management board of WashTec AG, Augsburg has launched a buy back program for up to 800,000 shares via the stock exchange until November 21, 2008. This corresponds to approx. 5.3% of the current share capital of the company. With this resolution the management board executes the resolution passed by the annual shareholders' meeting on May 22, 2007.

Thorsten Krüger, spokesman of the management board: "WashTec continues its policy to invest primarily into the company's growth, which also can include minor acquisitions. Due to the current business situation and our positive outlook for WashTec, we decided to also launch the buy-back program. With this program, we want to create the possibility to satisfy stock option rights without causing a dilution for our shareholders. Furthermore, we have the option to expand the buy-back program to up to 10% of the current share capital, pending on the business development."
